Dear Residents:

In order to provide residents with information concerning convicted sex offenders, who are living or working in the North Babylon School District, the District will continue to participate in the Parents for Megan's Law (PFML), a no-cost sex offender alert notification program. Parents for Megan's Law (PFML) will email District residents, who have registered, informing them of any new sex offender's presence and directing them to their website, where they can access a full copy of the notification.

This service allows all subscribers to be informed of any sex offender notifications implemented within Nassau and Suffolk Counties – not just offenders residing within our school boundaries. Participation in this service offers a more timely notification and prevents educational resources from being used on costly mailings, while giving residents an opportunity to be informed of all offenders within Nassau and Suffolk Counties, at no cost to them.

If you have registered previously, you do not have to repeat this process. However, if you do need to register, an email alert registration form is on the back of this letter. This must be completed to participate in the program. To obtain additional subscription forms, residents can contact PFML directly at 631-689-2672 or go to their website at www.parentsformeganslaw.org or use a link from the district's website at www.northbabylonschools.net Those without Internet access may utilize this system by means of the North Babylon Public Library or contact Parents for Megan’s Law for further instructions.

You may be assured that our dedication to the safety of our children will remain constant. All of the District’s schools have strict safety procedures for students, staff and visitors. In the event that law enforcement informs the District of a resident sex offender, a detailed description of the offender is automatically forwarded to each school. Please reassure your children that we have a safe community but that they need to be alert and careful.

If you have any questions or concerns, you may contact the Parents For Megan’s Law Helpline at 631-689-2672 or visit their website at www.parentsformeganslaw.org.

Sincerely,

Patricia E. Godek
Superintendent of Schools

September 2012
Parents For Megan’s Law (PFML) will alert you via email when we are notified of the presence of a registered Level 1, 2 or 3 sex offender by Suffolk or Nassau County Police Departments, participating Long Island Municipal Police Departments or when we obtain official sex offender registration information from the New York State Sex Offender Registry. Information on registered sex offenders is always available from our website at no cost. The suggested donation helps to fund the services we provide, which include: advocacy for child and adult victims of sexual abuse and other violent crimes, sexual abuse and abduction prevention education workshops for children and adults, the Megan’s Law Helpline and Sex Offender Registration Tips Programs, counseling services for children and adults and policy and legislative support services.

There is no cost for this service but donations are greatly appreciated.
